

Questions about Islam or Muslims?

Take an intimate look inside the life of an American Muslim community. This 40-minute production, entitled, **A Visit to a Mosque in America: Understanding Islam and the American Muslim Community** is combined with a 15-minute featurette entitled, **The Art of the Mosque**.

With so much misunderstanding about Islam, these productions introduce Islam to a broad American audience by letting Muslims tell the story of who they are and what they believe, as a positive message to the world.

Members of the community, from the Islamic Center and beyond, teach viewers about Islamic beliefs and worship in the Mosque, common misconceptions about Islam (women, violence, etc.), Islamic education, interaction with other faiths and Islam in America. Filmed at the Islamic Center of Greater Cincinnati.

In **The Art of the Mosque**, Islamic architecture found in a mosque is discussed in a simple manner, touching on its religious and historical significance.
